Re: Certificate of Correction

Consideration has been given your request for a certificate of correction, for the above-identified patent under the provisions of Rule 1.322 and 1.323.

Respecting the alleged error(s) in your request, in columns 13&14, scheme 2, and columns 15&16, scheme 3, in the patent, the letters, numbers and lines of the formulas in that location are obliterated, the text must be legibly written, type or printed in order grant a certificate. It is requested that you sent a better copy than is currently on file in the office, probably from the artifact.

In view of the foregoing, your request for certificate of correction is hereby denied. However, further consideration will be given these matters, upon receipt of a request for certificate of correction under the provisions of 1.323, accompanied by the appropriate fee which is presently \$100, if necessary.

In view of the foregoing, your request for certificate of correction in this matter is hereby denied.

However, a certificate of correction will be issued to correct the remaining errors noted in your request.

Further consideration will be given concerning this matter upon receipt of a request for **Reconsideration** (reconsideration should be accompanied by supporting document(s) such as, amendment, postcard receipt, 1449/892, etc.) and should be filed and directed to Decisions & Certificates of Correction Branch, accompanied by the appropriate fee which is presently \$100 if necessary.
